

Crowd Management

This STCW Crowd Management online course aims to train seafarers on how to deal with passengers and big crowds in emergency situations on board of ships and locate essential safety and emergency equipment.

The STCW Crowd Management training is mandatory for Masters, officers, qualified ratings and other personnel designated on muster lists to assist passengers in emergencies on the boards of passenger ships.

This Crowd Management online course includes safety training for personnel providing direct service to passengers in passenger spaces.

STCW Regulation V/2 (7), A-V/2 (3)

STCW Crowd Management training is also mandatory for all personnel providing direct services to passengers in passenger spaces on board of passenger ships. Safety training for personnel providing direct service to a passenger in passenger spaces.

STCW Regulation V/2 (6), A-V/2 (2)

The STCW Crowd Management online course is in accordance with the [IMO](#) model course 1.41 and 1.44

When this online course is passed with a satisfactory result, it is also possible to receive the STCW crowd management certificate, as a hard copy.
